

AFFIDAVIT OF ROGER S. KUBEIN

I, Roger S. Kubein, being over the age of eighteen hereby attest to the following:

1. I am a licensed attorney in the State of California. I represented Mr. Oussama Manaa on his application for Adjustment of Status with the United States Citizenship and Immigration Service (USCIS). That application for Adjustment of Status is based on his marriage to a United States Citizen.
2. Mr. Manaa and his wife were granted an interview with the USCIS to determine the bona fides of their marriage. The interview went well and no issues were raised by the USCIS officer as to the bona fides of the marriage and no further supporting documents were requested.
3. The USCS has indicated that Mr. Manna's case is still pending FBI security checks as of July 31, 2007
4. During the course of Mr. Manaa's application, our office contacted the USCIS local office to obtain a status on the case. The following are the dates we did so:
 - A. May 21, 2005. A letter was mailed to the local USCIS office in response to a request for additional evidence. The letter requested a timely handling of the case or that the file be referred to an office who can make a timely decision.
 - B. August 10, 2004. A letter was mailed to the local USCIS office that referenced "unjustified delays" that must be dealt with as soon as possible. The letter requested adjudication or the forwarding of the case to an office that could adjudicate it in a timely manner.
 - C. May 31, 2007. A letter was sent to the local USCIS office to ensure they had the correct address for Mr. Manaa. I personally followed up with a telephone call to Mr. Eddy Liu (a supervisor in the Adjustment of Status Unit at the local USCIS office). I spoke with Mr. Lie and requested an update from Mr. Liu who confirmed the case was still pending background checks.
 - D. July 26, 2007. A letter was mailed and faxed to the local USCIS office requesting a status of the case. The inquiries were directed to Mr. Eddy Liu. USCIS responded with a fax and letter indicating the case was still pending FBI security checks.

I declare, under penalty of perjury under the laws of the United States, that the foregoing is true and correct to the best of my knowledge and that I would testify to the same in a court of law.

Adjustment of Status based on Marriage to a United States Citizen

Dear Mr. Liu:

Please consider this letter a formal inquiry into the status of the above referenced adjustment of status application and alien relative petition.

The couple filed their respective applications on or about June 25, 2004 and have undergone an interview where the bona fides of the marriage did not seem at issue. No additional documents have been requested by the Service nor has any correspondence been sent about the status of this case. We have spoken on at least three separate occasions over the telephone about this case but have not received an adjudication to date.

We would appreciate a timely adjudication of this case or, in the alternative, a written reply to this inquiry. Thank you for your time and consideration in this matter.

Sincerely,

IMMIGRATION CORP.

U.S. Citizenship and Immigration Services

San Francisco CA Processing Dates

Posted August 16, 2007

Notice: U.S. Citizenship and Immigration Services (USCIS) has improved the reporting procedure for processing times of immigration benefit applications. In the past, USCIS benefit processing reports indicated the specific type of applications or petitions that were being processed and the date the cases were received. However, the date the case was received did not provide a clear indication of when USCIS expected to complete the case, nor did it provide a clear indication of USCIS' commitment to process cases within a certain cycle time. It also did not align with the processing times and cycle times the agency reports in other contexts.

This improved reporting procedure is an effort to give our customers more accurate information that better reflects current processing time and USCIS service level commitments. Effective immediately, when we are completing applications and petitions within our service level goals we will report that as the processing time. For example, when our service level goal is to process a particular kind of case within six months, and if our processing time is six months or less, we will show a date consistent with our service level goal because that reflects our commitment.

When we are not meeting our service level goal, the date posted will reflect the filing date of cases that are being completed. It should be noted that while in some instances reported processing dates may appear to have regressed due to this change, they do not reflect a lengthening of USCIS processing times, but simply the change in reporting. Our goal is to provide accurate projections and thus give customers clear expectations as to what they can expect as a processing time.

There are several important exceptions to the processing times shown below:

- Case processing will be delayed if we must ask you for more evidence or information.
If we ask for missing required initial evidence, count the processing time from when we receive that missing evidence.
- The case processing timeframe will start over if a customer doesn't appear for an interview or asks that it be rescheduled.

What if I have a problem or have questions about a case?

We offer a variety of services after you file. For example, for most kinds of cases you can [check the status of your case online](#).

For more information about when and how to contact us, whether your case is outside our processing time or if there are other issues, please see our fact sheet –

[Case Services - How do I... know what kind of services are available to me after I file my application or petition?](#)

One additional point about these projections. They are the time to complete processing and mail the actual notice and/or document. If you check case status online and see that your case has been approved, and you haven't yet received your approval notice or document in the mail, we ask that you wait thirty days from the approval date before contacting us. That is

because it may take that long before it is returned to us as undeliverable. You can also print the case status online answer for your records.
